The administration of the Indian Institute of Management Calcutta has been made aware of a serious complaint involving one of our students and the Complainant is not of the Institute. We are treating this matter with the utmost seriousness and are fully cooperating with the law enforcement authorities, who are currently conducting an investigation. The concerned individual has been taken into police custody, and the legal process is underway.

The Institute is committed to ensuring that due process is followed while safeguarding the dignity, safety, and privacy of all individuals involved.

We wish to affirm that the Indian Institute of Management Calcutta has zero tolerance for such incidents and remains steadfast in upholding a safe and respectful campus environment. We are also taking all necessary steps to support the process of ongoing investigation and ensure that institutional protocols are adhered to.

During this course of investigation, we will refrain from commenting further at this time, but will continue to monitor the situation closely and take appropriate action as needed, in alignment with the law and our internal policies.

We urge everyone to avoid speculation or dissemination of unverified information which might lead to further confusion and hamper investigation and allow the investigative authorities to carry out their responsibilities independently and fairly.
