## INTERPERSONAL EFFECTIVENESS AND LEADERSHIP EXCELLENCE

**Programme Director: Prof. Chetan Joshi**

**Programme Dates: January 30 - February 03, 2023**

**Programme Venue: MDC, IIM Calcutta**

# INTRODUCTION

Leadership is the process of interpersonal influence over the activities of team members towards the achievement of organisational goals in a given situation. In contemporary organisational life, managers need to work effectively with peers, supervisors and subordinates. Understanding self and influencing others forms an integral part of this endeavor. This Programme will help you to understand about self and develop your interpersonal effectiveness as well as leadership skills.

## PEDAGOGY

Concept sessions, diagnostic instruments, group activity through breakout rooms, and case study discussions.

## KEY TOPICS

The Programme content includes two specific modules dealing with the theme of interpersonal effectiveness and leadership skill development.

### ■ Module 1: Understanding Self and Interpersonal Effectiveness

This module will help participants to become aware of their own needs, perceptions and feelings and how the same affects or is affected by others' needs, perceptions and feelings. Participants thus become aware about the antecedents and consequences of their interpersonal styles. Individual participants will become aware of their primary conflict handling styles, negotiation style and team work styles.

### ■ Module 2: Building Leadership Potential and Skills

Individual participants will diagnose their leadership styles and why the same is or is not appropriate in different situations. Managers will also learn about when to use which leadership style in decision making situation, how to handle conflict and exercise influence in resolving conflicts, and how to lead teams.

## WHO MAY ATTEND

The programme as such is useful for all managers/executives/administrators irrespective of their functions, hierarchical position and business involvement - be it in the private/public sector organisations, multinational companies, government organisations or non-governmental organisations. We believe that an organisation will get an optimum return from this programme by sponsoring a team of 2 - 4 managers who have responsibility for managing a department, division, business group, or the entire organisation.

## PARTICIPANTS' FEEDBACK ON THE PROGRAM

“My experience in the IELE MDP was awesome. The faculty members teaching in the program were excellent. The content covered was correlated with self-study cases or activity based learnings. After the end of the program we were able to judge ourselves and definitely came to know the areas of improvement.”

“This program provided an opportunity to introspect in many behavioral aspects and how we can improve on our drawbacks to excel in the corporate world (or even in daily life). I would recommend the program because you get to live the life of an IIM student (in some respect) and an opportunity to learn something new.”
