Placement Report-

IIM Calcutta presents its placement report for the Summer placements of its MBA class of 2022. The process witnessed 100% placements, yet again. 141 recruiters participated in the process for a pool of 473 students, giving them opportunities across a multitude of roles in Consulting, Finance, Sales & Marketing, Operations & General Management.

Amidst the pandemic, the whole placement process was carried out virtually, onboarding recruiters and the students seamlessly on a single platform. The participation of 43 new recruiters this season is a testimony to the institute’s attractiveness to various recruiters.

Uncertain times call for significant structural changes and tests the agility of the institution. The placement team takes pride in the successful transition of the process from the day system to the cluster system, making the whole process more streamlined and transparent for all the stakeholders. The process spanned over 3 clusters accommodating 23 different cohorts across sectors.
