

Ajay Viswanath

Leadership Coach | Group Facilitator | Artiste

Inner work and deep understanding of individuals & their context, defines Ajay Viswanath. A learning professional with over 20 years' experience across domains, Ajay has been a Leadership Coaching for over 8 years.

Experience Overview

Having worked as Faculty for MBA courses in his initial years, Ajay went on to running an Arts Organization. Moving on, Ajay spent 12+ years with Pegasus Academy and Consulting which helped him build proficiency in Design and Delivery of customized Experiential Learning programs that drive behavioural change for Individuals and teams. He also served as an L&D Manager (Leadership Development) at SLK Software, Bangalore. He is currently associated with TAO Consulting as a Sr. Consultant and a Leadership Coach.

Leveraging on his academic and arts experiences, Ajay has anchored over 450 programs covering 12,000 plus Participants at Pegasus Academy and Consulting. He has successfully designed and delivered interventions focused on Competency based LDP, Assessment Centers, Hi-performance Teams, First Time Managers and Change management. The clientele he has worked with include Accenture, ADP, Broadridge, Landmark Group, Bosch, ELGI, GE Health Care, Toyota Kirloskar Motors Ltd., Microsoft, Spencer's, among others., Ajay has closely worked with Leadership programs for TVS (Hosur), TCS, Bharat Petroleum and Solcen

Ajay is an accredited (PCC) Leadership Coach, and his clients include CEOs and senior leaders in various organizations, across India and US. Ajay coaches Leaders to harness their own potential, by enabling an immersive understanding of themselves and enlivening the impact they create on their teams and the systems around them.

Inner work for Leadership excellence:

A Bharatanatyam dancer of the Mysore bani, Ajay's interest in inner work has been further nurtured at Ritambhara through immersive engagement with the Yoga Sutras and the Ramāyaṇa. Ajay finds great joy in working with body, mind and emotions to help individuals artistically explore their own latent potential and enable them to enliven organisational contexts through their leadership.
