

Bazmi Husain

Country Manager and Managing Director,
ABB India Limited

Bazmi Husain is the Country Manager and Managing Director of ABB India Ltd. ABB Group is one of the world's leading engineering companies that helps its customers produce and use electrical power efficiently, to increase industrial productivity and to lower environmental impact in a sustainable way.

ABB Group recorded revenue of US\$ 40 billion in 2014 and has 1,40,000 employees. India is the seventh largest contributor to ABB group revenue.

Bazmi has spent over 30 years at ABB, having worked in different roles including R&D, service, strategy and business operations across different ABB locations, worldwide.

Bazmi has been appointed as the global Chief Technology Officer of the ABB Group and will take over this responsibility from January 1, 2016, based out of India with an office in Switzerland. ABB globally invests US\$ 1.5 billion towards research and development with more than 8500 research people working across 30 locations.

Bazmi is an electrical and electronics engineer and an MS in Physics.
