## MBAEx

Since its inception in 2006, the MBAEx, a one Year Full-Time Residential MBA Programme for Executives with more than five years of professional experience has been providing well-trained upper middle and senior management professionals to industry. The program augments the skill-sets of mid-career professionals to prepare them for senior and top management roles in the industry. The program design blends the pedagogic insights of the MBA Curriculum with practical experience through International Immersion and Live Projects to enable future business leaders to hone their skills while tackling real-world challenges. Illustrious alumni of this program inhabit leadership positions across a range of industries in India and abroad. The Class of 2023 follows this tradition. This cohort with 78 members is high on diversity. Under the able guidance of the country's leading management

faculty, this diversity synergises with a passion for continuous learning to create an enriching learning environment. While case discussions enrich the practical experience of unravelling real-life business puzzles, informal discussions on varied topics from thoughtfully chosen adjunct readings broaden individual perspectives. A rich pallet of co and extra-curricular activities contributes to participation on competitions, branding exercises and passion clubs.
